STANDARDS DEVIATION REQUEST
(SDR)

UCF Assigned Log Number YY###:	

Requester to complete the shaded boxes at the top of this form, one deviation per SDR. Email electronic version of completed SDR to Michelle.Embach@ucf.edu by close of business Tuesday for consideration at the next scheduled committee meeting. The request will be screened, logged, and distributed to the committee, and consulting department representatives as applicable, for pre-review. Once finalized for furtherance, notification will be sent of the meeting date and time the SDR will be scheduled for presentation. Attendance by a project representative is required. Upon completed committee review, the SDR will be routed to Duane Siemen, AVP UES for final approval determination. Notification of final status will be sent upon completion.
