RE: Executed Updated UCF Campus Development Agreement

Dear Mr. Eubanks:

Pursuant to Section 1013.30(15), Florida Statutes (F.S.), the University of Central Florida (UCF) Board of Trustees and Orange County have agreed upon the provisions of an updated Campus Development Agreement (CDA). This CDA includes a number of road infrastructure improvements. The road improvements are listed in the CDA and will improve road capacity as well as bicycle/pedestrian safety and increase multimodal mobility along facilities in the UCF area.

In accordance with the statutory requirements, the County has held two (2) Public Hearings on the updated CDA. These Public Hearings were held on December 17, 2020 with the Orange County Local Planning Agency and February 9, 2021 with the Orange County Board of County Commissioners.

A copy of the approved Campus Development Agreement is hereby transmitted to the State Land Planning Agency in accordance with the requirements of Section 1013.30(15), F.S.
