

Vendor Bid and Selection Process Narrative

Purpose

The Vendor Selection - Bid Review process provides a mechanism for the PM to obtain competitive bids from qualified vendors, and to communicate fairly with all competing vendors throughout the selection process.

Initiator

The Project Manager is responsible for initiating the bidding process and recommending which vendors will be selected to perform work as per the Statement of Work.

Key Terms

Vendor Bid	Vendor quote, including any qualifications and submittals, delivered to the PM, which will fully complete all activities listed in the Statement of Work.
Bid Package	<p>Project material prepared by the PM and presented in e-Builder to contractors invited to bid on the project.</p> <p>Common elements of Initial Bid Package include:</p> <ul style="list-style-type: none">• Document Request Form• Non-Disclosure Agreement (NDA)• Access to UCF Sensitive Facilities Data (FSP 2018 FS0019)• Critical Needs Checklist• Minor Project Construction Scope of Services• Construction Drawings (100%CD)• Specification Sheet• Pre-Bid RFIs• AE Scope (if applicable)
Bid Clarification	Information provided by the PM to vendors bidding on a project in response to questions asked during the bid process.
Vendor Selection	Vendor selected to provide service on the UCF project.
Vendor Selection Bid Review Process (03 – BIDVS)	Process refers to the specific process in the e-Builder application, which allows the Project Manager to invite continuing service vendors with capabilities relevant to the scope of work to submit bids.
Statement of Work	Document provided to vendors for review, which provides the project scope, deliverables, and other project-related information. Alternatively called Scope of Work or Scope of Service.

Continuing Service Contract	Contract which allows a vendor to bid on UCF Minor Projects associated with their trade/profession during the Contract Term.
