STANDARDS DEVIATION REQUEST (SDR) FOR NON-EBUILDER PROJECTS

Requestor to complete all shaded boxes, one per SDR. Email electronic version of the completed SDR to <u>Dora.Summa@ucf.edu</u> for consideration. The request will be screened, logged, and distributed to the committee and consulting department representatives as applicable, for pre-review. If the committee requires a meeting, notification of a meeting request will be scheduled for presentation. Upon completed committee review, the SDR will be routed to Benjamin Davis, for final review and approval. Notification of final status will be sent to the planner / PM upon adjudication.
