

LOW VOLTAGE STRUCTURED CABLING CONTRACTORS

The University of Central Florida (UCF) is soliciting qualifications from experienced commercial and industrial specialty trade low-voltage (physical layer) contractors to provide structured cabling services, including the installation of copper, fiber optic, and coaxial riser cabling and associated infrastructure; voice, data, and television outlets; telecommunications room and server room build-outs; and outdoor copper and fiber optic installations. Services shall support a variety of Information Technology systems and may include new construction, renovations, alterations, repairs, and other related construction activities. Note that these limits may be updated over time to match the most current version of the Board of Governor's Regulations.

The University of Central Florida wishes to enter into an open-ended contract with multiple companies for a period of one year, with an option to renew for four additional one-year periods. The University has the right to amend the terms of the contract at each annual renewal. The selected firms' minimum bonding capacity shall be \$4,000,000 with a maximum of \$7,500,000.

The University of Central Florida wishes to enter into an open-ended contract with multiple companies for a period of one year, with an option to renew for four additional one-year periods. The University has the right to amend the terms of the contract at each annual renewal.

These projects are contingent upon availability of funding.

NOTE: The Selection Committee may reject all proposals and stop the selection process at any time. The University also reserves the right to cancel the project at any time.

Instructions for submitting a proposal can be found on the Project Fact Sheet. The Project Fact Sheet and Contractor's Form may be obtained on our website <https://www.fp.ucf.edu/vendors/current-advertisements/> or by contacting: Gina Seabrook, Email: gina.seabrook@ucf.edu, Phone: (407) 823-5894.

We are accepting only electronic submissions, to be uploaded to:

<https://ucf.bonfirehub.com/opportunities/247000>

Submittals must be received by 5:00 p.m. local time August 31, 2026. Late submissions or additional documentation will not be accepted.
