OUTSIDE PLANT CONTRACTORS

The University of Central Florida (UCF) is soliciting qualifications from experienced commercial and industrial specialty trade contractors to provide underground duct bank and maintenance hole (MH) installation, Outside Plant (OSP) copper telephone cabling, and fiber optic cabling, including the splicing and termination of outside plant copper and fiber optic cables, and the testing of each copper cable pair and fiber optic strands.

Services shall support a variety of Information Technology systems identified in **Attachment "B"** and may include new construction, renovations, alterations, repairs, and other related construction activities. Note that these limits may be updated over time to match the most current version of the Board of Governors' Regulations.

The University of Central Florida wishes to enter into an open-ended contract with multiple companies for a period of one year, with an option to renew for four additional one-year periods. The University has the right to amend the terms of the contract at each annual renewal. The selected firms' minimum bonding capacity shall be $4,000,000 with a maximum of $8,021,250.

These projects are contingent upon availability of funding.

NOTE: The Selection Committee may reject all proposals and stop the selection process at any time. The University also reserves the right to cancel the project at any time.

Instructions for submitting a proposal can be found on the Project Fact Sheet. The Project Fact Sheet and Contractor's Form may be obtained on our website https://www.fp.ucf.edu/vendors/current-advertisements/ or by contacting: Gina Seabrook, Email: gina.seabrook@ucf.edu, Phone: (407) 823-5894.

We are accepting only electronic submissions to be uploaded to:

https://ucf.bonfirehub.com/opportunities/254654

Submittals must be received by 5:00 p.m. local time November 20, 2026. Late submissions or additional documentation will not be accepted.
