

NOTICE TO PROFESSIONALS

The University of Central Florida has a need for several firms to provide structural engineering services on an ongoing basis for building renovations, alterations, remediation, and new construction. Structural Engineers will work with Architects and Engineers on design and construction projects up to \$4,000,000 construction cost. Services required may include design, construction documents, and administration. These services may be requested for any type of project provided that the total consulting fee for any individual project is \$500,000 or less.

The University of Central Florida wishes to enter into an open-ended contract with multiple companies for a period of one year, with an option to renew for four additional one-year periods. The University has the right to amend the terms of the contract at each annual renewal. All firms applying must be licensed as Engineers in the State of Florida by the Florida Department of Business and Professional Regulation at the time of application and, if a Corporation, registered to operate in the State of Florida by the Department of State, Division of Corporations. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000 and will be provided as a part of Basic Services.

The Selection Committee may reject all proposals and stop the selection process at any time. The University also reserves the right to cancel the project at any time.

Instructions for submitting a proposal can be found on the Project Fact Sheet. The Project Fact Sheet and Professional Qualifications Form may be obtained on our website www.fp.ucf.edu or by contacting: Gina Seabrook, Email: gina.seabrook@ucf.edu, Phone: (407) 823-5894.

We are accepting only electronic submissions, to be uploaded at:
