

LOW VOLTAGE CONTRACTORS

The University of Central Florida announces the solicitation of qualified commercial and industrial specialty trade low voltage (physical layer) contractors to perform installation in accordance with various Information Technology systems that are included in “Attachment A” for scopes of work that include alternations, repairs, and construction. Note that these limits may be updated over time to match the most current version of the Board of Governor’s Regulations.

The University of Central Florida wishes to enter into an open-ended contract with multiple companies for a period of one year, with an option to renew for four additional one-year periods. The University has the right to amend the terms of the contract at each annual renewal. The selected firms’ minimum bonding capacity shall be \$4,000,000 with a maximum of \$7,500,000.

These projects are contingent upon availability of funding.

NOTE: The Selection Committee may reject all proposals and stop the selection process at any time. The University also reserves the right to cancel the project at any time.

Instructions for submitting a proposal can be found on the Project Fact Sheet. The Project Fact Sheet and Professional Qualifications Supplement Form may be obtained on our website www.fp.ucf.edu or by contacting: Gina Seabrook, Email: gina.seabrook@ucf.edu, Phone: (407) 823-5894.

We are accepting only electronic submissions, to be uploaded at:
<https://ucf.bonfirehub.com/opportunities/211781>

Submittals must be received by 5:00 p.m. local time January 30, 2026 (Revised). Late submissions or additional documentation will not be accepted.
