

## **NOTICE TO ENGINEERS**

The University of Central Florida has a need for several firms to provide natural gas pipeline engineering professional services for utility operations, maintenance, improvement, renovation, and construction project interconnection of \$4,000,000 or less construction cost, or services for which the fee for professional services is less than \$500,000.

The University of Central Florida will enter into a contract with the selected firms for a period of one year, with an option to renew for four additional one-year periods. The University has the right to amend the terms of the contract at each annual renewal. The University has the right to amend the terms of the contract at each annual renewal. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000 and will be provided as a part of Basic Services.

All firms applying must be licensed as Engineers in the State of Florida by the Florida Department of Business and Professional Regulation at the time of application and, if a Corporation, registered to operate in the State of Florida by the Department of State, Division of Corporations.

Typical services may include:

- Annual Cathodic Protection Surveys
- Bi-Monthly Cathodic Protection Surveys
- Close Interval Surveys
- Alternating Current or Direct Current Voltage Gradient Surveys
- Soil Resistivity Surveys
- Depth of Cover Surveys
- Current Requirements Test
- Stray Current Surveys
- System Troubleshooting
- Rectifier Design and Construction Administration
- Casing Testing
- Bell Hole Examinations
- Cathodic Protection Training to UCF Pertinent Staff
- Remote Monitoring Systems and Safety Interlocks
- Risk Management Consulting

Projects being implemented may border or be within occupied areas, and projects will in many cases need to be phased to allow partial occupancy during construction. ALL projects will need to ensure the safety of students, faculty, and staff. Projects may be located on University of Central Florida or UCF-affiliated properties.

**NOTE:** The Selection Committee may reject all proposals and stop the selection process at any time. The University also reserves the right to cancel the project at any time.

Instructions for submitting a proposal can be found on the Project Fact Sheet. The Project Fact Sheet and Professional Qualifications Supplement Form may be obtained on our website [www.fp.ucf.edu](http://www.fp.ucf.edu) or by contacting: Gina Seabrook, Email: [gina.seabrook@ucf.edu](mailto:gina.seabrook@ucf.edu), Phone: (407) 823-5894.

We are accepting only electronic submissions, to be uploaded at: <https://ucf.bonfirehub.com/opportunities/106603>.

Submittals must be received by 5:00 p.m. local time October 16, 2023. Late submissions or additional documentation will not be accepted.
