

NOTICE TO ENGINEERS

The University of Central Florida Board of Trustees, announces that services in the disciplines of engineers will be required for the project listed below:

Project No.: UCF-599

Project and Location: Chemistry Building, University of Central Florida, Main Campus, 4104 Libra Drive, Orlando Florida 32816.

The project consists of a renovation of the existing Chemistry Building, which is fifty-one years old. The building comprises three stories and 49,073 gross square feet. The renovation will include modifications to major building systems to meet current occupancy and life safety codes.

Major systems included in this scope consist of, but are not limited to, HVAC, building automation, laboratory ventilation, and life safety systems. The project may have limited associated interior scope, such as ceiling, lighting, and finish replacements. As the primary scope of the project is MEP/FP, an Engineering firm will be the prime applicant and contract holder.

The total project cost will be approximately \$5,000,000. This project will be phased and is subject to the availability of funding.

All firms applying must be licensed as Engineers in the State of Florida by the Florida Department of Business and Professional Regulation at the time of application and, if a Corporation, registered to operate in the State of Florida by the Department of State, Division of Corporations. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000 and will be provided as a part of Basic Services. Interior design services (finish selection and specification) will also be a part of Basic Services.

Instructions for submitting a proposal can be found on the Project Fact Sheet. The Project Fact Sheet and Professional Qualifications Supplement Form may be obtained on our website www.fp.ucf.edu or by contacting: Gina Seabrook, Email: gina.seabrook@ucf.edu, Phone: (407) 823-5894.

We are accepting only electronic submissions, to be uploaded at:
